

# ACCOUNTING MINOR

---

The accounting minor provides non-accounting majors with basic accounting concepts and tools that can be applied to enhance the application and marketability of their liberal arts education. It also prepares them to understand and participate more effectively in the world of work and provides grounding in practical applications that will serve them well throughout their lives.

The minor in accounting is not available to accounting majors.

## Minor Requirements

The minor requires a minimum of 16 credit hours (four courses).
