CE Student Services

Adult Student Government

The CE Student Government Association (SGA) is composed of all students registered for college-credit work through CE. The association exists to serve the welfare and interests of its members and works toward the establishment of a community supportive of the continuing education of adults. Among other activities, the association sponsors social and cultural events.

The SGA operates under the direction of an elected executive board. The executive board derives its authority from the president of the College and is responsible for the allocation of CE student activity fees.
