

FINANCIAL AID

Basis of Awards

Guilford College offers a comprehensive financial aid program. Students may qualify for scholarship, grant, and loan programs from institutional, state, private, and federal sources. In granting or renewing financial aid, the Office of Financial Aid takes into consideration both satisfactory academic performance and financial need, according to the terms of the particular scholarships available. NOTE: Financial aid awarded on the basis of need is not automatically continued but must be applied for each year by filing the Free Application for Federal Student Aid (FAFSA) at www.fafsa.gov.
