

BOARD OF TRUSTEES

Advancing Guilford's Mission

Guilford College's Board of Trustees is the governing body exercising ultimate institutional authority as set out in the Bylaws of Guilford College (<https://www.guilford.edu/policy/bylaws-guilford-college/>). This authority, upon the recommendation of the President of the College, includes:

- Determining and periodically reviewing the College's mission
- Monitoring the College's financial condition and approving the annual budget, tuition and fees
- Approving institutional policies bearing on faculty appointment, promotion, tenure and dismissal
- Reviewing and approving proposed substantive changes in degree programs
- Approving degrees as recommended by the faculty
- Authorizing the construction of new buildings, the major renovation existing buildings and the purchase or sale of land

The board's authority and responsibilities also include:

- Participating actively in strategies to secure sources of support
- Contributing to fundraising goals
- Appointing the President
- Annually assessing the President's performance
