

STUDENT HEALTH INSURANCE REQUIREMENTS

Guilford College requires all full-time traditional undergraduate and international students to be covered by medical insurance that provides coverage in the Greensboro area. We want students to be protected against unexpected high medical costs as well as have access to quality care.

To access additional, detailed information regarding student health insurance requirements, the Guilford College Student Health & Counseling Office, and Guilford's medical care partner Eagle Physicians, visit these links:

- Student Health Services and Counseling (<https://www.guilford.edu/StudentHealth/>)
- Student Health Insurance FAQ (<https://www.guilford.edu/student-health-services-and-counseling/student-health-insurance-faq/>)

This requirement does not apply to adult Continuing Education (CE) or Early College (ECG) students.
